

PARIS NOW EXPECTS THE GERMANS TO ASK FOR MORE TIME

can, and President Wilson, met this afternoon. It is understood they discussed the German situation and the Italian cabinet crisis.

The Council also was expected to take up the uncompleted sections of the Austrian peace treaty.

Whether the Germans sign or not, Premier Clemenceau, the Rho de Paris says, will make known to the

Chamber of Deputies Tuesday the part taken by France in framing the peace terms.

The paper says that in case of a negative reply from the Germans, the Allied troops will occupy Frankfurt on the first day of the advance and the Ruhr industrial region the second day.

WEIMAR, June 20 (via Amsterdam)

to London.—The German Cabinet headed by Philipp Scheidemann has resigned.

The cabinet will continue in office until President Ebert has been able to form a new one.

Six members of the cabinet, it is said, declared in a cabinet meeting for an absolute rejection of the peace terms. The Ministers were said to have been Count von Brockdorff-Rantzau, Herr Landsberg, Herr Goebbels, Dr. Dornburg, Herr Preuss and Herr Gothein.

WEIMAR, Thursday, June 19 (by the Associated Press).—Count Brockdorff-Rantzau, the Foreign Minister, and Philipp Scheidemann, the Chancellor, with a few others, will resign because they will not sign the treaty. Gustav Noske, Minister of Defense, or Herman Mueller, Majority Socialist leader, will be chosen Chancellor by President Ebert, it is said.

Noske is very popular, not only with the Right wing of his own party, but with the Conservatives, since he was able to protect property during recent disorders in Berlin. He is unpopular, and even hated by the Radicals of his party and the Independent Socialists because of the rigor with which he suppressed disturbances.

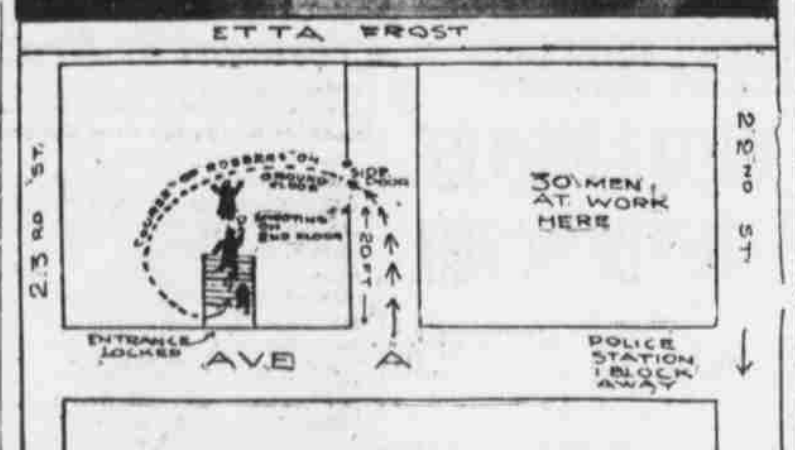

The new cabinet, according to report, will sit until 8 o'clock Friday morning, and will presumably settle the question of signing the treaty. It is expected to accept the Allied terms, although experts who have considered the treaty, have unanimously rejected it as impossible. One of them, Fritz Thyssen, the coal magnate, said to The Associated Press to-day:

"Germany cannot honestly sign and hope to fulfill her obligations. It would be far better to pay a larger indemnity, but leave coal and other economic possibilities of production by which alone the payment of the indemnity is possible."

Several members of the old cabinet still retain office, among them being Matthias Erzberger, Eduard David and Colonel Minister Bell.

Baron von Hiltshofen said this afternoon (Thursday) that the new cabinet will sign the treaty, but "on conditions." Although he did not state what conditions were meant it is believed that they will be in the form of demands upon the Entente, the granting or refusal of which would not hinder the signing of the treaty.

YOUTHFUL GOLFER WINS DECISIVELY AT STATEN ISLAND

A. L. Walker Advances By Five Play While Kammer's Opponent Defaults.

By William Abbott.

Special Staff Correspondent of The Evening World.

FOX HILLS GOLF CLUB, STATEN ISLAND, June 20.—Favorites had easy pickings in the first match-play round to-day in the Fox Hills invitation golf tournament. August Kammer, winner of the qualifying medal, won his match to-day without even lifting a club. George Bowman, his opponent, defaulted, which gave the Baltimore star a vacation. A. L. Walker, the twenty-year-old Staten Island crack, advanced to the second round with a decisive victory over T. M. Brander.

Walker, playing beautifully, started with an early lead and was never headed. He won by 6 and 5, his match being more of a practice warm up than a real competition.

W. H. Gardner, another tournament favorite, came through safely. He outclassed A. D. Mitchell all the way and had little trouble winning by the margin of 5 and 4.

The Van Cleaf family, which had two entries in the first sixteen, broke even on the first round. While Charlie Van Cleaf was beating P. E. Deasler 1 up, his brother, William, was losing to B. J. Allen by the same score.

The links were materially stiffened for the match play competitions to-day and scores were higher than those made in the qualifying test when the tees and greens were fixed for low scoring.

First round results:

August Kammer won from George Bowman by default.

A. L. Walker beat T. M. Brander, 6 and 5.

W. H. Gardner beat A. D. Mitchell, 5 and 4.

B. J. Allen beat W. C. Van Cleaf, 1 up.

W. J. Follett beat S. M. Milliken, 6 and 5.

C. Van Cleaf beat P. E. Deasler, 1 up.

E. H. Kendall beat J. D. Newman, 1 up.

E. F. Hunt beat L. O. Spindler, 4 and 2.

FATAL RIOT IN FRANKFORT.

French Artillery Prepared to Fire to Protect Officers.

BERLIN, June 20.—A riot resulted in Frankfurt when a French officer ordered the arrest of a German civilian, a detachment from that city reported. Thousands of persons gathered and shots were exchanged with the police who sought to protect the officer. One civilian was killed and several wounded. The prefect of police finally restored order by informing the crowd he had been officially informed that French artillery would open fire on the city if French officers were endangered.

BAY STATE CAR STRIKE IN 3 CITIES MAY SPREAD

Vote Taken on General Walkout to Extend Into Rhode Island and New Hampshire.

BOSTON, June 20.—With car service completely tied up in Lowell, Lawrence and Woburn by strikes of motormen and conductors, votes of employees in other cities on the Eastern Massachusetts Railway Company's lines were counted here to-day to determine whether a general strike should be called. Union officials said that if the vote favored a strike the men would probably quit work Sunday morning.

The system covers a large part of Eastern Massachusetts and runs to Rhode Island and New Hampshire.

The original strike in Lowell last Monday was announced as a protest against the use of hand fare registers on open cars, conductors claiming that the hazard of their occupation was increased by the necessity of carrying these registers in moving along the running boards. In addition there are some wage grievances.

BAKER SELLS \$15,000,000 ARMY GOODS TO RUSSIANS

Tells Representatives of Co-operative Societies U. S. Wants to Aid Their People.

WASHINGTON, June 20.—Secretary Baker to-day signed contracts with representatives of the Russian co-operative societies covering the sale of \$15,000,000 worth of surplus army clothing and textiles to the societies.

The organization is composed of a number of co-operative unions of heads of families, representing, according to the delegation which saw Mr. Baker to-day, 20,000,000 members.

In greeting the delegation Mr. Baker spoke of the sincere desire of the people of the United States to be of any possible assistance to the people of Russia, and explained the hope that when Russia had reestablished its government the "ancient bond of friendship between the two nations would be found strengthened."

SIX BATHS A DAY TOO MANY FOR MUNICIPAL LODGERS

Must Take a Scrubbing With Green Soap Every Night Before They Can Get Quarters.

Guests of the Municipal Lodging House on East 26th Street complain that six baths a day are too many. They admit that they take the six all in one, but declare that the use of green soap makes that one the equal of six ordinary baths. And the worst of it is they must take the green soap bath every night before they can obtain lodging.

LONDON, June 20.—The Russian cruiser Oleg was sunk on Wednesday by a British submarine. It is announced that the Oleg was a vessel of 6,770 tons. The sinking occurred near the Tobuchan Lighthouse.

SHERMAN FINDS CHURCH BUGABOO IN WORLD LEAGUE

Says Pope Would Control Votes of 24 Out of 45 Member Nations.

WASHINGTON, June 20.—A warning that the League of Nations may end the separation of church and state and bring the civilized world under the domination of the Vatican was given in the Senate to-day by Senator Sherman, Republican, of Illinois, who declared the Roman Catholic Church would be represented in the League Assembly by 24 votes out of 45.

"From an early age," said the Illinois Senator, "the occupants of the Vatican have believed in the inherent right of Papal authority to administer civil government. It is with the utmost regret I fail to find recorded in the course of Papal claims of later days any renunciation or disavowal of the doctrine. So far as a layman can discover, the Vatican still believes it ought, and would if the power permitted, assume to administer ecclesiastical and civil government as its joint, exclusive and paramount power."

"Of the original 52 member nations signatories to the proposed League, 28 are Christian nations and 4 are of other faiths. Of these 28 Christian nations 17 are Catholic nations, either a majority or an overwhelming preponderance of the population being of that religious faith, and 11 are Protestant. The Catholic members are Belgium, Bolivia, Brazil, Cuba, Ecuador, France, Guatemala, Haiti, Honduras, Italy, Nicaragua, Panama, Peru, Poland, Portugal, Uruguay and Czechoslovakia. The 17 nations will be represented in the League in all human probability by Catholic delegates."

"That Church represents in its membership either a majority or almost an entirety of the several populations. The away over those people and their implicit faith in the infallibility of the head of this great religious organization is supreme."

"The states invited to accede to the Covenant of the League of Nations are: Argentina Republic, Chile, Colombia, Denmark, Netherlands, Norway, Paraguay, Persia, Salvador, Spain, Sweden, Switzerland and Venezuela. All are Christian nations with the exception of Persia. Of the twelve invited Christian states, seven are Catholic, viz: Argentina, Chile, Colombia, Paraguay, Salvador, Spain and Venezuela. Therefore 24 of the 40 equal votes of the Christian nations, members of the League, are spiritually dominated by the Vatican."

"The Vatican is a most earnest advocate of the covenant of the League of Nations. On March 16 President Wilson conferred with the Vatican at Rome. The Pope among other things said, referring to the League of Nations: 'President Wilson put the matter so clearly that my doubts began to melt, and before our interview closed I agreed with him on the main lines of his plan.'"

"Miraculous conversion or the deep traditional wisdom of the Holy See! The great pontifical dignity gives no random interview. Neither can we believe both the President's visit and the interview were not for a pre-conceived purpose."

"The controversy over Fiume and the resulting troubles recall the belief among many Italians that the Vatican is not in sympathy with the civil government of Italy on this subject. It is fair to infer that the Pope cordially approves of President Wilson's stand against Orlando and the Italian civil authorities. While the evidence is circumstantial, it all tends to connect President Wilson with influences unfriendly to the temporal power of Italy and inimical to the future welfare of the United States."

Congress will be a check on the League of Nations and a permanent guardian of American sovereignty under the League. Senator Sheppard, Texas, declared to-day in a speech answering league critics.

LEAGUE'S FOES BALK AT FORGING TEST VOTE

Hope of a Roll Call on Knox Resolution Said to Have Been Virtually Abandoned.

WASHINGTON, June 20.—There were growing indications that opponents of the League of Nations might abandon all efforts to force a test vote on the subject in the Senate before the Germans act on the Peace Treaty at Versailles Monday.

Hope of bringing a roll call on the Knox resolution virtually had been abandoned and some leaders thought it might be permitted to die without even coming formally before the Senate for action. It was designed to give notice of opposition to accepting the League covenant along with the peace terms and in the general opinion it will cease to serve its purpose after Germany has accepted the treaty.

Whether any other expedient would be adopted to show Senate sentiment to-day or to-morrow also was uncertain.

WILSON TELLS KING HE'S A TRUE DEMOCRAT

"A Real Statesman and a Real Ruler," President's Tribute to Albert.

BRUSSELS, June 20.—At the dinner given last night in honor of President and Mrs. Wilson by the King and Queen of Belgium, with Cardinal Mercier and other distinguished guests present, the President, addressing King Albert, said: "I have had the very great advantage of seeing the little that I had time to see of the experiences of Belgium under your guidance, and I know how true it is, sir, that you speak for your people. One of the delightful experiences of these last days has been to hear the acclaim from the heart which every where greeted Le Roi."

"Their first cry, was for their king, their second thought was the welcome of the stranger, and I was glad in my heart that it should be so, because I know that I was with a real statesman, and a real ruler."

"I have felt many points of sympathy between the people whom I have the pleasure of representing and the people whom you represent."

"They are a very Democratic people, and it has been very delightful to find, sir, that you are a true Democrat."

NEW POGROM IN CRACOW REPORTED TO JEWS HERE

170 Said to Have Been Injured; Polish Troops Accused of Plundering Victims.

One hundred and seventy Jews were injured, six of them seriously, in a pogrom in Cracow, Galicia, on June 6, it was announced to-day by the Committee for the Defense of Jews in Poland and other Eastern European countries.

According to the committee, which has offices at No. 1 Madison Avenue, the attack on the Jews grew out of the refusal of a Jewish storekeeper to sell a kerchief to a Polish woman at a price insisted upon by two Polish soldiers. The shopkeeper was beaten, and then, it is said, followed a general looting of Jewish business places. The reports have been corroborated by Louis Marshall, President of the combined Jewish Legislatures in Paris.

FOURTH AUSTRIAN NOTE SENT TO THE BIG FOUR

Objects to Being Made the Heir of All Responsibilities of Late Empire.

ST. GERMAIN, June 20 (Associated Press).—The Austrian delegation has sent a fourth note to the peace conference protesting against the German-Austrian Republic "being made the heir of all the responsibilities of the Austro-Hungarian Empire, of which it was but the smallest, poorest, most peaceful and most liberal of states."

"It points out that at the time war was declared in 1914 the Foreign Minister, his two principal collaborators and almost all of Austria's ambassadors were Hungarian and maintains that the responsibility for the war is common to all the states forming the empire that has vanished."

The note expresses confidence that the "spirit of justice of the conference will not let the whole burden be thrown upon German-Austria."

ROME INSTRUCTS ENVOYS TO ACCEPT DALMATIAN PLAN

Orlando Cabinet's Fall Due to Resentment Against Allies.

PARIS, June 20.—The Italian delegation to the Peace Conference has been directed from Rome to accept the proposition for the settlement of the Dalmatian controversy made by Premiers Clemenceau, Lloyd George and President Wilson, according to the Paris office of Reuters, Ltd.

ROME, Thursday, June 19.—"Remain faithful to our duties toward the Allies," was a passage in the address of Premier Orlando to-day which turned the tide against the Premier and resulted in the adverse vote which had its sequel in the resignation of the Orlando cabinet.

The Premier's words aroused the anger and hostility of the Deputies, several shouting across the chamber at the government bench from which the Premier was speaking. There was a great tumult and cries of "the Allies have never been faithful to us. Why should we be faithful them?"

Signor Orlando's fateful utterance so stirred the Deputies that the remainder of his speech received little attention. The intrusings Socialists, led by Deputy Modigliani were especially violent, while the content of the others was voiced. Francesco Nitti, former Minister of the Treasury.

The vote against the Orlando government was 239 to 78.

TEN A. M. TO FIVE P. M.

Do you love the beautiful in furniture? If so you will take delight in these new phonograph cabinets. Miss Elsie de Wolfe, America's most celebrated designer of interior decorations, and author of the "House in Good Taste" has placed her stamp of approval upon these wonderful new cabinets in the following signed statement:

"The period cabinets which Mr. Edison has adopted for his phonographs are in pleasant contrast to the rather grotesque cases which one so frequently sees. The superior furniture value of Edison Cabinets can scarcely fail to impress the lover of good furniture."
